Lap Swim:

A continuous lap swim for swimmers of all ages. We have 3-6 lanes available, divided according to speed. Please circle swim and observe courtesy rules.

*Admission to Early Morning Lap Swim (EMLS) is by exact change, check, or Quick Card only.

Public Swim:

Public swim is a time set aside for swimmers of all ages to swim recreationally. Children younger than 6 years of age AND under 48" in height must be directly supervised in the water by an adult (no more than a 2:1 ratio) who is within arm's reach at all times.

Aqua Zumba®:

A Latin-inspired dance exercise class in the shallow end of the pool! AZ blends the Zumba formula with aqua fitness, into a safe, challenging cardio and toning workout. Get a great cardio workout and have fun. No dance experience needed, great for all fitness levels and swimming abilities.

Gentle Water Fitness:

This shallow water aerobics class emphasizes improving range of motion, endurance, and flexibility through low-impact movement. Participants work on building strength and balance using the resistance of the water. This is a great class for those with arthritis, pregnant women and people trying to manage their weight. All ages are welcome.

Shallow Water Fitness:

This class is designed to build strength, flexibility, and cardiovascular fitness. Taking advantage of your buoyancy and water resistance, this is a terrific exercise program regardless of your age or fitness abilities. It allows you to exercise at your own pace.

Deep Water Fitness:

Our deep water class uses specially designed buoyancy and resistance equipment to provide a demanding workout for the whole body. Tone and strengthen those muscles without impact on your joints, speed recovery from an injury, and increase your endurance. Great music keeps you working hard! Participants must be comfortable in deep water.
